## ON WEBB.

(Continued from First Page.)

port that he had submitted to the

conference of the report of his interview

with General Manager Toney, and that

the discussion had taken up all the time

of the conference.

Mr. Powderly said that after lunch

the conference would again take up the

discussion on the subject and would

reach a decision this afternoon.

When asked if they were prepared to

fight or extend the strike, Mr. Powderly

said:

"As I told you, nothing definite has

yet been decided upon. When we have

made up our minds we will give you all

the information we can."

The General Executive Board of the

Knights of Labor took lunch at the St.

Clair.

Another meeting between Powderly and

the Vanderbilt committee was subse-

quently arranged for 5.30 p. m., and it

was reported that powerful influences

would be present to secure adjustment

of existing difficulties. If these efforts

fail a general strike will not doubt be

ordered this evening.

ALL UNCERTAINTY.

All sorts of rumors were flying about

and the fact that Mr. Webb had stated

that the men would surely be called out

to-day, and that no further attention

would be paid to Vice-President Webb.

Then this was denied, and the belief

began to gain ground that the leaders

had been able to come to no decision in

the matter, and that the prospect was

that the conference would be prolonged

indefinitely.

The members of the Supreme Council

of the Federation of Railway Employes,

which consists of Chief Engineer of the

Locomotive Firemen, Grand Master

Sergeant of the Switchmen's Association,

S. E. Johnson, Grand Master of the

Teamsters' Association, and George

Howard, Chairman of the Brotherhood of

Railroad Conductors, who were in con-

ference with the General Executive Board

of the Knights of Labor all last evening,

have left the Grand Union Hotel and

have taken rooms at the St. Clair, so as to

be near the Knights' headquarters.

CHIEF DEPUTY ARRIVES.

General Manager Toney, Powderly

and Committee Chairman Webb and

Hayes were joined this morning by John

Devlin, the member of the Committee

from Detroit, who came down last night

from Buffalo, where he has been organ-

izing the switchmen and firemen.

Chief Sergeant of the Locomotive

Firemen, was seen in a reporter of the

Evening World at the St. Clair.

He said he had been up nearly all night

going over the matter, and that he was

prepared for another day's siege of it.

CAUTIONS CHIEF SARGENT TALKS.

"I came to New York," he continued,

"at the request of the Executive Board

of the Knights of Labor to confer

with them in regard to the troubles on the

Central road.

"The conference was first called at

Buffalo, but as all the members of the

Board were not able to attend there that

body deemed it advisable to come to this

city, so as to hold the conference at head-

quarters.

"I came down with my party, Messrs.

Howard, Wilkison and Sweeney, night

before, and we were all present at the

conference, which was held at the Grand

Union Hotel, where we were all present

at the conference, which was held at the

## THE MERRY MONARCH.

After the production of "The Oolah" last

season, a large wall went up because it

was declared that there was not enough

of the kind of work that was being

done, and it was decided to try a

great deal of work and "The Oolah" bloomed

into success.
